WHO ARE WE?

The LGBT Excellence Centre Wales is a social enterprise and a charity that supports Gay, Lesbian, Bisexual, and Transgender people and promotes equality, diversity and human rights through gathering and sharing information and good practice.

The Excellence Centre is a hub connecting people and organisations: on the charitable end, we deliver free services and support to LGBT people such as counselling and legal representation for discrimination cases, whilst on the enterprising side we fund ourselves through projects and business services such as training for employers and anti-bullying workshops in schools.

The Excellence Centre is focussed on developing collaborative models for delivering LGBT equality with its partners in order to make the world a better place for everyone.

We have a strong emphasis on sustainability and we have already developed a strategy to make the organisation and the LGBT voluntary sector more sustainable and less reliant on public funding.

WHAT DO WE DO?

We provide the following services:

Advice **Mediation**
Advocacy **Networking**
Consultancy **Research**
Counselling **Support**
Information **Training**
Legal Advice **Workshops**

We deal with the following areas:

Benefits
Bullying
Civil Partnerships
Coming Out
Discrimination
Domestic Violence
